Soft Skills

- ❖ Analytical Thinking
- ❖ Problem Solving
- ❖ Attention to Detail
- ❖ Report Writing
- ❖ Team Collaboration

LANGUAGES

French, English, Swahili

EDUCATION

Bachelor of Science in Computer Science
- Kigali Independent University
2015-2018

PROFESSIONAL SUMMARY

Results-driven Data Analyst with a Bachelor's degree in Computer Science and more than five years of experience transforming data into actionable business insights. Skilled in Microsoft Excel, Power BI, SQL, Power Query, and data visualization, with a strong ability to clean, analyze, and interpret complex datasets.

Experienced in dashboard development, KPI reporting, business intelligence, and performance analysis across education, NGO, and business environments. Adept at communicating analytical findings to both technical and non-technical stakeholders and supporting data-driven decision-making.

PROFESSIONAL EXPERIENCE

Freelance Data Analyst | Remote

February 2021 – Present

- ❖ Analyzed business and operational datasets using Excel, SQL and Power BI.
- ❖ Cleaned, transformed, and validated datasets to improve reporting accuracy and reliability.
- ❖ Built interactive dashboards and KPI monitoring systems for business performance tracking.
- ❖ Developed reports and visualizations for NGOs, educational institutions, and small businesses.
- ❖ Automated reporting workflows using Power Query and Excel.
- ❖ Presented analytical findings and recommendations to stakeholders.

Tools: Excel, Power BI, SQL, Power Query, Power Pivot
